

Mentor Cargo – portal for insurance of property in transport

simple and convenient way to conclude insurance through the website

free access 24 hours a day

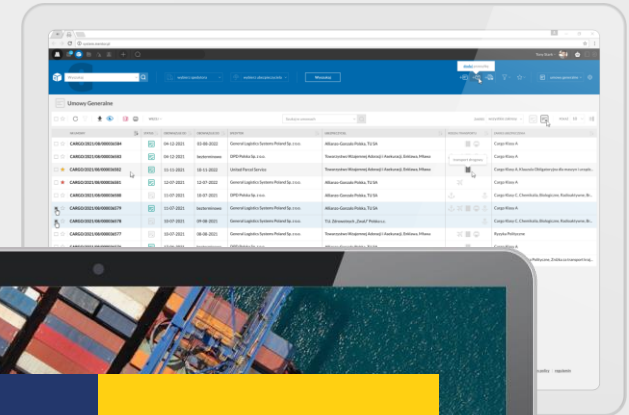

quick and transparent calculation of insurance costs

immediate printout of the insurance certificate

reporting of insured shipments

Why is it worth to conclude Cargo insurance in Mentor S.A.?

building relationships with partners

securing cargo and interests of the partner/customer at each stage of transport

covering the full value of the damage

no limitations as in the case of compensation from carrier's third party liability insurance

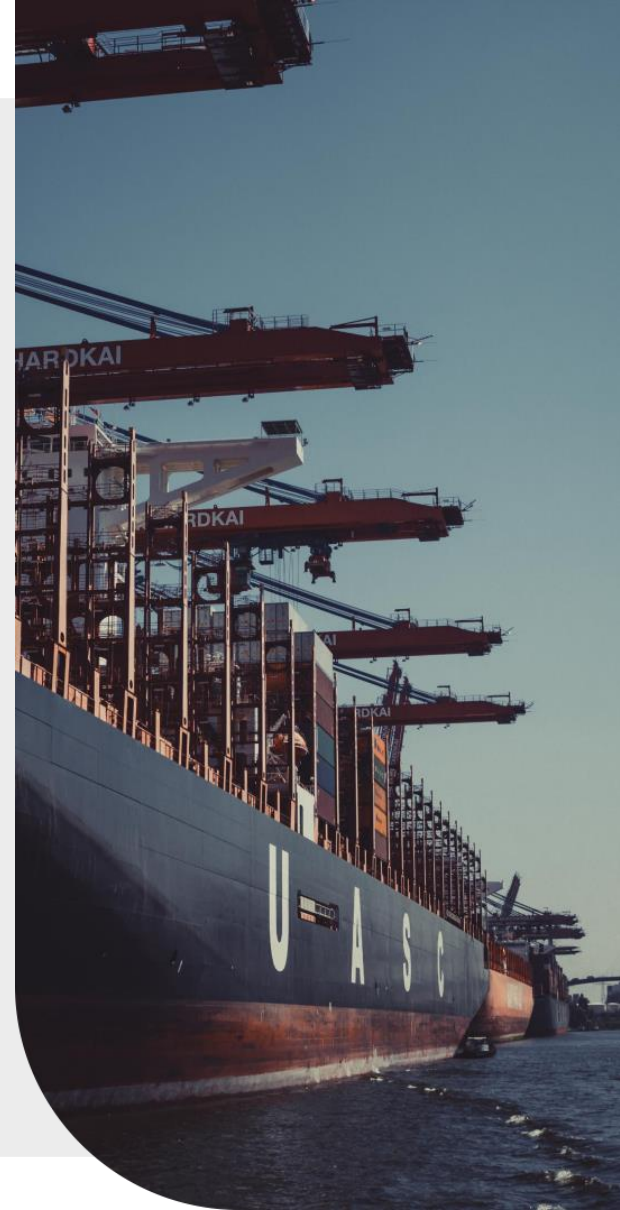

easier and faster loss adjustment process

no need to investigate the carrier's liability for the damage, as in the case of carrier's third party liability insurance

practical and convenient

free tool available as part of brokerage service
